

**CONSIGNMENT DETAILS:**

We will sell your item through eBay. We take 20% on most items, less on items over \$800. Let us handle your eBay auction and all the details of listing and shipping. Guitar Grave has excellent customer feedback for professional service and handling. We provide a safe and secure way to sell your item online. Our experience with international shipping policies and customs will ensure your item reaches your buyer and you are paid without hassle.

We specialize in guitar and electronic equipment sales, but have sold many different items from EKG Machines to Cars.
